

國立彰化師範大學105學年度博士班招生考試試題

系所： 英語學系 組別： 甲組 科目： 英語教學理論與教學實況

☆☆請在答案紙上作答☆☆

共1頁，第1頁

1. Describe one representative study you conducted before in terms of: (1) the title, (2) the rationale, (3) the study method, and (4) brief results. (30%)
2. Name one teaching method you believe useful in Taiwan context in terms of: (1) name of the method, (2) principles of the method, and (3) the ways the method applied in real teaching context. (20%)
3. What is ESP (English for Specific Purposes)? How is it different from Teaching English for General Purposes? How has ESP been implemented at various levels of English teaching in Taiwan? What difficulties may local EFL teachers have in implementing it in English classrooms? (20%)
4. Recent research in second language writing has seen the resurrection of written correct feedback (WCF) as a main theme. Various dichotomies have been mentioned in the discussion of WCF, e.g. input-providing vs. output-prompting, focused vs. unfocused, Discuss these (and other) dichotomies. (10%) Mixed results have been found for the effectiveness of different specific types of WCF. What are some of these various types of WCF? How may they contribute to the mixed results found? Cite specific studies to illustrate your points. (20%)
