- 1 Do you have clubs in your school?
- 2 What different kinds of clubs are there?

The following is the information about the Music Club in our school. This is a new club for students who like music. Anyone can join. There is nothing to pay. The Music Club will meet every day after classes. It will meet in the Student Activity Center.

On Mondays, Wednesdays and Fridays we will listen to CDs that other club members bring to the meetings. There will be many different kinds of music. Club members will talk about the people who have written and performed the music. On Tuesdays and Thursdays club members will perform their own music. Many students here can sing or play musical instruments. The Music Club will give them a chance to perform in front of other students.

If you want to join, please e-mail us your name and phone number by the end of September. We sincerely welcome your participation in the near future.
